Report a crime

Find out who to contact to get immediate help in an emergency and file a police report. Understand and report different types of crime.

What to do in an emergency

Alert

If you are experiencing an emergency, dial 911 immediately.

To report an emergency outside your area, you must contact the local law enforcement agency where the emergency is taking place. Search online for that local law enforcement agency’s website to find their 10-digit phone number.

How to file a police report or report crime anonymously

To file a police report, search online for the local law enforcement agency’s contact information where the crime occurred.

Most local law enforcement agencies accept anonymous tips or crime reports online or by phone. They may also have an online system or dedicated phone line to report a non-emergency crime. To learn more, contact your local police department.

How to report a crime

Crimes involving children
